

BURTON GREENE / SILKE RÖLLIG DUO

7th September 2014 21:00 concert VINERIA TIRANO

9th September 2014 21:00 concert LO SPAZIO POSCHIAVO

Our concerts are about the intimacy of our duo: vocals and piano. We do a wide variety of composed material: from standards, bebop, freebop, classics, and beyond! We have been composing together the past 11 years and our pieces have been performed with various ensembles on several record labels: BV Haast, CIMP, Music & Words, and NoBusiness Records. The duo includes co-composed pieces from these recordings, and also some recent pieces especially composed just for the duo. A lovely piece in concert and for the workshop kids will be "Kinder March". (March of the Children). We can perform this and other simple pieces, and the kids can play little flutes and percussion instruments to accompany us. Other pieces on the concerts will include the co-compositions: "Hello", "Freebop-aroony", "Space is Still the Place" (a tribute to Sun Ra), "Freebop the 1st", "Freebop the 4th", "Baby Waltz Plus" (this one will be nice for the workshop also!), "Something In the Way" (a nice bluesy tune the kids can accompany), "Syl & the Arshayic People". We have recorded these pieces under great conditions at the Loft Club in Cologne and will soon produce a CD of the recording. We just performed recently to very appreciative audiences at Spectrum in New York on August 5, and at the Philadelphia Art Museum on August 8.
