Craig Holiday Haynes will perform on drums, percussion and possibly saxophone along with the incomparable Ms. Donna Brown on piano, keyboard and vocals and together they will merge their talents to play the best duo presentations of Jazz versions of the American Music Songbook , along with the delving into the spiritual sides of Sun Ra, John Coltrane, Rashaan Roland Kirk, Duke Ellington and others, as well as creating their own spontaneous musical sounds, all stemming from the blues to spirituals to swing to bebop and beyond !!
