TOM MALMENDIER <https://www.tomalmendier.com/>

The duo of Emilie Skrijelj and Tom Malmendier explores in many ways the connections and reactions between sounds and spaces. In different projects, from total acoustic to more electronic, both musicians like to extend their instruments with objects, unusual ways of playing ("extended techniques") and field recordings. Their performances, always fully improvised, are dense and intense, with ruptures and surprises (also for themselves!).

Two voices breathe together, exchange, scramble and curl up like a twining plant. A dance on the embers, ardent Marquises ...
