Sara Schoenbeck <https://www.saraschoenbeck.com/>

Harris Eisenstadt <https://harriseisenstadt.com/>

Brooklyn-based Sara Schoenbeck (bassoon) and Harris Eisenstadt (drums) have explored sonic spaces together as the duo *Saris* in North America and Europe for more than twenty years. Their music combines original compositions and improvisations with works by some of their favorite composers, and draws influences from contemporary improvisation, new music, jazz and traditional world music.
